Application No.

Continuation of 5. does NOT place the application in condition for allowance because: On page 4 of the Applicant's Response date 1/9/04, Applicant states, "neither Dedrick nor Eggelston teach or describe the concept of comparing identifying information assciated with a particular user to target advertising profiles, with the user being re-directed to an advertisement of advertisers based on such a comparison". However, Dedrick clearly discloses this (col 18, lines 49-55).
